## Event Offerings

### Monte Carlo Night

Leadership Arlington's flagship annual event, Monte Carlo Night is attended by over 350 of the region's key decision making leaders at Ronald Reagan National Airport's Historical Terminal A. The night hosts a variety of activities, from a silent auction (proceeds benefit the Leadership Arlington Youth Program) to Monte Carlo casino-style gaming tables and a High Roller's Table. It is a wonderful event for Leadership Arlington members, their families, friends and the community to gather for a night of fun!

### Homecoming

The annual Homecoming event is a chance for Leadership Arlington members to reconnect at an interactive seminar focused around a specific, timely topic. The event is a key opportunity for members to continue their leadership education and professional development. Homecoming features guest speakers, enriching dialogue and a wealth of information to take away and to incorporate into your work and personal development.

### Leadership Legacy Awards Dinner

Leadership Arlington's capstone annual event, the Leadership Legacy Awards Dinner is attended by over 250 of the region's key decision making leaders at the elegant Westin Arlington Gateway hotel in Ballston. Arlington awards its annual Leadership Legacy Awards to three outstanding community leaders, one from each sector, and to a group of outstanding youth from the previous year's class of Youth Program participants. The Signature Program Class also graduates during the ceremony.

### In-Home Dinners

One of Leadership Arlington's longest-standing annual events, the In-Home Dinners are an invaluable chance for members to come together in small, intimate groups to share a meal in one another's homes. Leadership Arlington members host fellow alumni and their spouses in their homes, serving meals they have cooked themselves...or take out! This programming helps Leadership Arlington members to build relationships with one another, regardless of class year, and is a complimentary benefit of membership with Leadership Arlington.

### Legislative Breakfast

At the culmination of the Virginia General Assembly legislative session, Leadership Arlington invites delegates and representative from Northern Virginia to participate in a forum and report back to their constituents on the progress made during their time in Richmond. In the spirit of communication and an informed community, Leadership Arlington is thrilled to host this event for the first time in 2012.

### Wine Tasting and Holiday Party

Leadership Arlington reserves Lyon Hall in Arlington's exciting Clarendon neighborhood for a festive evening to bring together Leadership Arlington alumni and guests connect with one another, meet new members and share in the spirit of the holiday season. Several fine wines are paired with tasty hors d'oeuvres. New this year, a prefix dinner will be offered following the wine tasting.

### State of the County

Each year, Leadership Arlington pairs up with the Arlington Chamber of Commerce to host a breakfast session wherein the current Arlington County Board chair discusses the state of Arlington County. Attendees are treated to a delicious meal at the Crystal Gateway Hotel, while getting the "insider's view" of Arlington County's current affairs. Attendees are given the opportunity to submit questions to Leadership Arlington for the County Board chair to answer during the session.
